BJM Cafeteria

Menu:

This Week: Closed

(Closed Cage = Closed Cafeteria)

The Commons are closed during Period 4 for cleaning.

Congratulations to the Senior Girls Basketball team who captured the Meath Park Invitational Tournament this past Weekend... 2023 Tournament Champs.

First Student Bussing from Warman and Martensville: The morning pick-up times will remain the same for the entire week of final assessments. The afternoon pick-up time, however, will be at 2:25 pm from Monday to Thursday. There isn't an option to have two separate pick-up times, so the later time allows students to take advantage of the opportunity to work with their teacher to either complete outstanding assignments or study and prepare for the next day's final assessment. On Friday, the afternoon pick-up time will be 12:25pm.

The cafeteria will be closed all week. Please plan ahead if you need a snack during final assessments.

Schedule Change Requests: Semester II schedule change requests may be made by accessing the QR code found in one of the following places:

1. Main Office (outside Mr. Frey or Mrs. Regier's offices)
2. Student Services.

*If you have any questions or concerns about this process, stop by the Main Office and speak with Mr. Frey or Mrs. Regier.

**Note that the number of schedule changes made at this point in the year will be minimal. Schedule changes will not be made after Thursday, February 2nd.

Respiratory Therapy Program at SAIT (Calgary): Training seats available to qualified Saskatchewan students. Seats are reserved for Saskatchewan students—The Ministry of Advanced Education invites you to help inform Saskatchewan students of the Respiratory Therapy program at the Southern Alberta Institute of Technology (SAIT) in Calgary. Respiratory therapy is a diverse and specialized profession that assists physicians in diagnosing, treating and managing patients with issues that impact the heart and lungs. They work with patients of all ages in hospitals, long-term care or home care settings. The Ministry of Health and Saskatchewan Health Authority have identified Respiratory Therapy as an in-demand occupation, meaning graduates have strong career prospects right here at home. Saskatchewan has an agreement with SAIT to reserve seats for eligible Saskatchewan students in the Respiratory Therapy program. Respiratory Therapy students participate in a comprehensive three-year diploma program consisting of classroom, lab, study, clinical simulation and practicum rotations. Students complete their clinical training in Saskatchewan and are eligible for various Government of Saskatchewan financial supports including student loans and grants. View [this video](#) to learn more about the program. **The application deadline for Saskatchewan students is May 1, 2023 for classes beginning in Fall 2023.** Visit the [Respiratory Therapy Page](#) to apply today, or to register for an upcoming information session.
