## EcoJustice OUR MISSION:

Our mission is to have students challenge themselves to reach their maximum intellectual, emotional, social, physical, and spiritual potential through an exciting integrated experiential curriculum.

EcoJustice is a classroom without borders!

The Grade 8 curriculum is presented through well-crafted outdoor treks, indoor teachings & analysis/synthesis, spiritual & personal teachings & discovery.

EcoJustice is an exceptional opportunity open to any upcoming grade eight student who is looking for a positive opportunity to better themselves, our community and the environment around them.

Students will feel a spiritual connection with the world around them!

Reaching Out To Transform The World!

## *Examples of our Unique Programming!*

- All units change yearly with the interests and needs of our students. Each unit is thematic, anti-oppressive, inquiry-based, problem-based, purpose-based & place-based
- Team Building & Positive Group Dynamics
- Saskatchewan Ecology
- Anti-Oppressive Education
- Three-Tier Mathematics
- Sustainable Urban Design & Urban Treks
- Living off the Land
- Reaching Out To The World
- Life Systems in the Thickwood Hills
