Thanks to those who join the School Community Council.

School Supply Update

October 10, 2018 7:30-8:30 meeting for parents

New Business- Nominations & Friends of Holy Family

Do we have a list of anyone else who put their name forward? No.

Brad is now a member at large. AGM nomination and everyone was in favour. No need to vote anyone in at this meeting.

Bulletin board- how to get everyone to step forward/volunteer? Hot lunches, etc. Could we do a partnership? If the parents come in during lunch to help out, could there be a cut provided to the class?

Another suggestion: have a list of volunteer opportunities at the beginning of the year.

Room parents- find three parents to help out.

Hot lunches are booked for the year. Volunteer for the year. Could we get a room parent list for each classroom? Carmen to connect with Julie. There is a button to click "volunteer" for hot lunch on Healthy Hunger website.

Check in with the banner- looks good. Leo the Lion- will come out for volleyball 17/18th October. Grade 8 help with the canteen. Carmen asked to have everything marked from canteen re- hot lunches

QSP Magazines- extended until October 9, sold \$14,500. Donations for magazines provided through families of Holy Family School.

Bingo- should we be meeting ahead of time to plan? Meeting will be in January. Will need more volunteers.

WUHCA Update

Was not provided with permission to move forward with the Humboldt Broncos Rink. Looking for poles for the rink currently (SaskPower poles). Campaign running for GoFund Me- needing 25,000\$. Will break ground once City of Saskatoon approves. Goal- to have rink ready by winter.

Other Business

Staff appreciation week- last year done right after Easter. Last two weeks of March would be good this year, 2019. March 25-29, 2019? Too much food last year? 53 staff this year.

Should we provide a gift card for parent council- members leaving? Amanda to look into minutes from previous years. Could we provide a mug from Holy Family instead of a gift card as a way to say thanks?

Amanda to follow up with Connie- re- mugs

After school program- Any questions? Before and After school- no negative feedback heard. About 110 registered this year, 140 registered last year.

Wednesday nights work well for this committee. First Wednesday of the month

Holy Family staff social- group blood donation. Could we make it a bigger community one? Do not do on site anymore (do not come to the school). Could we do a staff/community association night. October 11, 2018- staff going. Curtis to find out when female reps can donate again. Teachers and parents go together.
