# Principal's Honour Roll

This year Grade 12 Honour Roll will be calculated a little differently from previous years. We will calculate the honour roll in June. We will use all of your final marks up to that point and any remaining midterm marks, be that in a face to face class or in cyber. If you are taking a cyber class you need to pay attention to the half way point in that class and be at it or past it. More detailed dates to come.
