

# Steps to apply

---

1

## Choose YOUR PROGRAM

There are nearly 100 undergraduate degree programs and more than 120 graduate programs at uSask, offered by 17 diverse colleges and schools. You can enter programs directly from high school, while for others, you may need several years of previous university-level study. No matter your goals, we can help you figure out how to get there!

2

## Learn ADMISSION REQUIREMENTS AND DEADLINES

Find out what you need and when you should apply. Some programs only have one intake per year and there can be benefits to applying early. Make sure you don't miss out.

3

## Apply

Fill out and submit an online application for admission and pay the application fee. Application fee payments may be made online at the time of application using Visa or Mastercard and must be received before your application will be processed.

If you have any questions about applying, you can contact our friendly staff and we would be happy to help.

## Check YOUR APPLICATION STATUS

In PAWS, you will be able to:

## YOUR TRANSCRIPT AND OTHER DOCUMENTS

### IF YOU ARE CURRENTLY IN HIGH SCHOOL:

- Your most up-to-date report card or transcript of marks and a list of all of the subjects you will study before finishing high school are required to consider you for admission.

#### SASKATCHEWAN STUDENTS

Saskatchewan students must request official transcripts to be sent directly to uSask by the Ministry of Education. By submitting a single form and paying only one fee, you can request Grade 11, Grade 12 First Semester (after January exams) and final Grade 12 transcripts to be sent as soon as they are available. Students studying out of province should email both an up-to-date report card or transcript and an official timetable or class schedule showing classes you will finish before you graduate to **admissions@usask.ca** when you apply, as well as after you complete any further classes.

When you graduate, arrange to have your final, official transcript of marks sent directly to the University of Saskatchewan via postal mail by the appropriate authority, such as your provincial Ministry of Education.

### IF YOU HAVE EVER TAKEN CLASSES OR COMPLETED A PROGRAM AT ANOTHER COLLEGE OR UNIVERSITY:

- Email an unofficial transcript to **admissions@usask.ca** showing marks for all classes you have completed and listing any subjects you will study before transferring to the University of Saskatchewan.
