

# Faculty of Law's Youth Summer Program

Every summer, high school students are offered a unique law school experience by the University of Toronto's Faculty of Law. Students from across North America and around the world are invited to learn at Canada's most prestigious law school!

During the Law YSP you will:

- *Step into the shoes of a lawyer and immerse yourself in the practice of law*
- *Hone your debating and analytic skills, and start "thinking like a lawyer"*
- *Go behind the scenes at some of Canada's largest courts and leading law firms and corporations*
- *Share ideas with other high school students from across Canada and around the world*
- *Apply what you learn through immersive, realistic, and complex legal simulations*
- *Receive valuable academic enrichment and career guidance*

During the Law YSP, students currently enrolled in grades 10 through 12 can spend between one and six weeks at the Faculty of Law discussing advanced legal concepts, learning about the reality of the Canadian legal system, and applying their knowledge in a variety of stimulating environments.

For high school students interested in the law and legal issues, the Law YSP offers an unprecedented opportunity to spend time in the fascinating world of Canadian and international law, legal thinking and advocacy.

In addition to the enriching academic content, students get a taste of university residence life while staying at New College and participating in events that showcase the city of Toronto.

# Faculty of Medicine's Youth Summer Program

Every summer, high school students are offered an exclusive glimpse into the world of medicine and medical research by the University of Toronto's Faculty of Medicine. Students from across North America and around the world are invited to learn at Canada's most prestigious medical school!

During the Med YSP you will...

- *Be a student at one of the world's finest medical schools*
- *Experience what it is like to be a medical researcher*
- *Learn from some of the world's leading doctors and research professionals*
- *Work in cutting-edge laboratories*
- *Gain a deep understanding of how the body works*
- *Receive valuable academic enrichment and career guidance*

From its home in the University of Toronto's Medical Sciences Building, in the heart of Toronto's "Medical Discovery District", the Med YSP offers students currently enrolled in grades 10 and 11 four unique one-week modules that each introduces a major medical discipline.

Each module includes lectures from world-class faculty and hands-on experimentation, guided by distinguished medical researchers, in cutting-edge research laboratories. The Med YSP's unparalleled access to the University of Toronto's medical faculty and research facilities allows participants to experience what it is like to be a student at Canada's premier medical school.
