3. A description of the educational activities, instructional methods and learning resource materials. Please list below (optional).

4. The Means of Assessing and Recording the Educational Progress

Each family is required by the Ministry of Education to maintain a portfolio of the year's work for each child and keep the portfolio on file for 2 years.

Please indicate with a ✓ which option for an annual progress report you intend to submit:

Option #1:

A portfolio of work consisting of a periodic log and one of the following for each of the 3 broad annual goals:

- a) a detailed summative record;
- b) sufficient samples of work; or
- c) a summative record and samples of work.

Option #2:

Test results from a normed standardization achievement test (CAT4).

Additional information about how you will assess your child's progress throughout the school year:
